Parents and Teachers Club

Parents and Teachers Club was established on the concept of teachers and parents working together with a happy and friendly. The objectives of this club are to build a good relationship between home and school and also exchanging the knowledge, experiences, and Early Childhood concept between parents and teachers and develop into the activities and projects that are beneficial to children in various dimensions.

The Direction of Parent and Teacher Clubs.

- 1) Support all the activities that operate by Early Childhood Development Center
- 2) Public and communicate information between teachers and parents.
- 3) Exchange and suggest the knowledge which benefits our children with a teacher and also pushing for changes in the right direction.
- 4) Correct the volunteer groups to create activities that will benefit society and communities.
